Some maintenance to the grounds needed to be implemented.

## 6. CORRESPONDENCE AND OTHER MATTERS

**Parish Plan:** the survey had now been finalised and plans for its imminent distribution to households and businesses were in place. The plan is for the survey to be returned by the end of July.

**Little Budworth Country Park:** a meeting of parish council representatives with the ranger is to take place on Wednesday 12 June and a public meeting in the Village Hall will take place on 20 June.

**Highway issues:** following the recent fatal road accident on the A49 the council agreed to approach the highway authority to seek the introduction of a speed limit along that section of the road.

**Connected Cheshire:** Cora had attended a meeting at Oulton Park hosted by Cheshire West and Chester Council. The way to get improved broadband connectivity in the area was by households and businesses registering with the providers as needing a better service. This was a topic covered in the parish plan survey
