The Mile Roses

Whisky Fireside & Tales From The Road

Contemporary British Folk with a nod to Nashville!

Cheers! Join The Mile Roses for an upbeat evening of songs of the road well travelled, songs of heartache, and songs of single malts!

The Mile Roses is formed of three highly respected solo songwriters - Kate Bramley, Kari Macleod and Simon Haworth - and born out of a musical interest in both British folk music and the transatlantic connections to new-country and Americana.

This trio are fast gaining a reputation across the UK with their original songs and close harmonies, accompanied by guitars, fretless bass, mandolins and fiddles.

"The Mile Roses have built up a head of steam and are in demand...I have the greatest admiration for this line-up, unassuming and dedicated to what they are doing...the future looks bright." FOLK NORTH WEST
